

IMEC Conference on Enterprise Excellence 2019

Presented by **ACHE**

This one-day conference highlights best practices, strategies and inspiration for organizational improvement. Featured speakers include leaders, from a variety of industries, who have led their organizations to high performance in the areas of leadership, strategy, customer engagement, operations, workforce, and technology. Spend the day networking with and learning from role model organizations representing manufacturing, healthcare, business, education, and government/non-profit sectors.
