

Driving Performance in Illinois Healthcare A.J. Wilhelmi, President & CEO, IHA

March 27, 2019

OUR MISSION

To be the trusted voice and resource for members as they care for their communities

OUR VISION

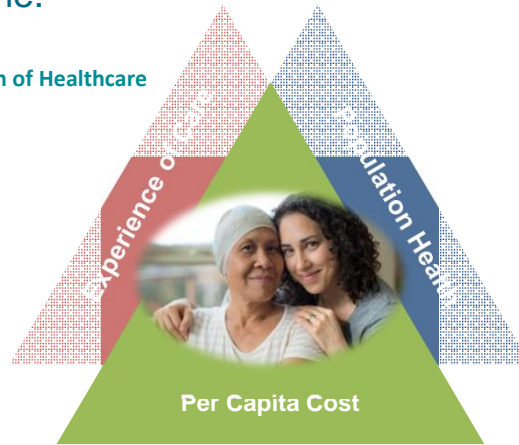

To be the most trusted and influential Association in advancing optimal health and healthcare

Unity in Diversity

Our communities may be different. Our goal is the same.

The Triple Aim of Healthcare

3

Accelerated and Complex Healthcare Environment

Accelerated move to value

- Interoperability
- Price and quality transparency
- New payment models

New entrants and disruptors

Political instability and budget pressures

- State
- Federal
- Local

Future of Medicare and Medicaid

Declining reimbursements

More care in outpatient setting

Future of the Affordable Care Act

4

INNOVATION AT IHA

Merger: IHA and MCHC

Rationale

- Leadership wanted their associations to mirror their innovation journey aimed at enhanced performance and efficiencies

A New Future – A New Symbol

- Launched January 1, 2016
- Images are powerful; the design of our new logo is contemporary and confident

Merger = Enhanced Value Proposition

- Strengthen advocacy by speaking with a unified voice.
- Improve performance of hospitals and health systems.
- Provide enhanced technology, data and information to manage populations and systems of care.
- Offer an increased array of trusted business solutions to help hospitals and expand revenues for new IHA.
- Provide forums for sharing insight and best practices.
- Seek operational effectiveness.

7
