“It’s really rewarding to be able to assist and help move Illinois manufacturing industry forward.”

Responsibilities

I am responsible for providing support, oversight and guidance for all of IMEC’s grants, including but not limited to, grant accounting, budget modification as well as ensuring compliance with funding source administrative guidelines, timely receipt of revenue, accurate submission of financial and other related reports, grant regulations, executed contracts and agreements as well as applicable statutes and regulations. In addition, I have expertise in financial accounting, financial statement review and audit specific to the nonprofit sector where I work with federal and state stipulations of funding.

Qualifications

- Bachelor of Science degree in Business Administration from Illinois State University
- Over 20 years experience working in the Non-Profit sector
