

EQUIP YOUR TEAM

LEADERSHIP

Funded training opportunity – Limited spots available

Through this IMEC leadership training, you can further develop yourself as a leader. Leading your organization well is more important than ever through this challenging year. This IMEC leadership course will have an initial focus on COVID recovery and strengthening your organization. It will also cover communicating for leadership success, DiSC assessment, embracing change, high Impact feedback and listening, and your leadership journey.

Course Name	Course Description
Your Leadership Journey	This course arms new or prospective leaders with the knowledge and skills they need to confront the challenges they face early in their leader career. Learners are introduced to three leadership differentiators that are most important to building a positive reputation as well as contributing to the welfare of the team.
DiSC	DiSC is a popular assessment tool that helps learners identify their behavioral style and the styles of others by identifying patterns of thinking, behaving and acting. DiSC lays the foundation for understanding ourselves and better understanding each other.
Communicating for Leadership Success	This course helps individuals communicate effectively so they can spark action in others. Through the use of the Interaction Essentials, people are better able to handle the variety of challenges and opportunities they encounter every day in the workplace and beyond.
High Impact Feedback and Listening	In this course, individuals learn how to effectively deliver both positive and developmental feedback, as well as how to be receptive to feedback. These skills help people to optimize and sustain their individual and team's efforts.
Embracing Change	This course focuses on the role of individual employees implementing change in the workplace. Participants discover their change IQ, learn about the phases of change that many people experience, and are introduced to best practices that will enable them to tackle and overcome the new business challenges of today and tomorrow. <i>Prerequisite: Communicating for Leadership Success</i>
