

MEPNN Supplier Scouting Opportunity Synopsis

Section 1: General Information

Scouting Number	2025-013
Item to be Scouted	Reusable Totes
Days to be scouted	30
Response Due By	02/07/2025
Description	Reusable totes will be used to transport both clean and dirty reusable containers to and from a centralized washing facility and participating food ware using establishments. These totes need to be durable, stackable, easy to clean, and resistant to wear from repeated use. They will be used in various environments, including humid tropical conditions and kitchen settings. Totes must also be lightweight for easy handling and compatible with standard shelving and transportation equipment.
Notify Requester Immediately	
State item to be used in	Hawaii
