

MEPNN Supplier Scouting Opportunity Synopsis

Section 1: General Information

Scouting Number	2026-286
Item to be Scouted	Commercial Floor Drain
Days to be scouted	15
Response Due By	06/25/2026
Description	Commercial Floor Drain similar in form, fit, and function to 832-2PNR 2" PVC Hub - 6-1/2" Rnd Nikl-Brnz Ring & Strainer

Section 2: Technical Information

Type of supplier being sought	Manufacturer
Reason	BABA
Describe the manufacturing processes (elaborate to provide as much detail as possible)	The manufacturing process for this assembly involves two distinct stages: the PVC hub is produced via injection molding, where molten PVC is forced into a mold to create the structural housing. Simultaneously, the nickel-bronze ring and strainer are fabricated through casting or precision machining, followed by a nickel-plating process to provide corrosion resistance and a polished finish. Finally, the metal components are integrated into the PVC hub using a press-fit or threaded assembly to ensure a secure, leak-proof seal.
Provide dimensions / size / tolerances / performance specifications for the item	2" PVC Hub - 6-1/2" Rnd Nikl-Brnz Ring & Strainer
List required materials needed to make the product, including materials of product components	The 832-2PNR assembly is constructed from a combination of high-durability polymers and corrosion-resistant metals. It features a structural hub made of PVC for waterproof reliability, paired with a ring and strainer crafted from nickel-bronze for superior strength. To ensure a polished finish and maximum protection against saltwater and oxidation, the bronze components are finished with nickel plating.
Are there applicable certification requirements?	No
Are there applicable regulations?	No
Are there any other standards, requirements, etc.?	No
Additional Technical Comments	

Section 4: Business Information

Estimated potential business volume	one-time purchase of 5 units
Estimated target price / unit cost information (if unavailable explain)	< \$160 each
When is it needed by?	2 weeks
Describe packaging requirements	Individually wrapped
Where will this item be shipped?	Emery, UT

Additional Comments

Is there other information you would like to include?

Agency providing funds - Community Development Block Grant via U.S. Department of Housing and Urban Development
Name/POC for BABA related questions - AnnaLisa Johnson
Email address of contact - townhall1@etv.net
